

CPD-8C

19" 8-WAY IEC POWER CONDITIONER

Item ref: 776.498UK

User Manual

Please do not open cover as it contains high voltage. This product is not serviceable or repairable by the end user. Please refer to qualified personnel for service or repair.

Please read this manual thoroughly before use.

Any damage caused by misuse of the product will void the warranty.

Protect your electronic equipment with this 19" rack mountable power conditioner featuring an RFI/EMI filter. The filter works by preventing noise from florescent lights, certain dimmers and similar sources of electronic pollution contaminating the AC line and leaking into sensitive audio, video or computer circuits. In addition; the front panel features two LED lamps with dimmer control for illuminating your rack.

- 19" 1U rack mountable
- 8 rear mounted IEC power outlets
- 2 front mounted LED lamps with dimmer control
- Surge and voltage spike protection
- 10A capacity with circuit breaker
