

minifloor

“economic convenience”... ideal for Audio Visual , CCTV and small Data installations. We have three models now available in this range.

9U/530x450mm 9U/530x600mm 12U/530x600mm

Floor Mounting

Uses screw mounting castors sold separately as a set of four.

Back Door/Side Doors

The back door just lifts off like the side doors and therefore makes installation easier especially in a confined area.

Cable Entry

Two cable entry points, top and bottom. A Blanking plate is attached to cover the top cable entry and a brush plate supplied to cover the bottoms, or you can swop around..

Fans available in February

We will soon have a range of low noise, low power single Fan Kits with 1.5 or 2 Metre UK plug lead which attach to the fan cover on the cabinet top. With or without Filter Guard (see separate brochure)

Part Codes	Height U	Width	Depth	External Height (excluding castors)
KV9U/450XF	9U	530mm	450mm	499mm
KV9U/600XF	9U	530mm	600mm	499mm
KV12U/450XF	12U	530mm	600mm	632mm

Castors are not included and sold separately
